

Birchington CE Primary School

Easter Celebrations

Easter is always a very special time for everyone in our school. All year groups take the time to explore this special Christian celebration in their Religious Education lessons and the Easter story is celebrated in our Collective Worship across the school. Year 6 were lucky enough to take part in an Easter workshop entitled 'Easter Cracked' which was run by Maggie who works for ACTS (Active Christianity in Thanet Schools) and Year 5 put on their own Easter Service in All Saints Church.

To encourage creativity at home, all our children were invited to make an Easter bonnet and/or an Easter garden for our whole school competition. The lucky winners in each class received a delicious Easter egg!

Some of the Easter garden entrants are shown below:
