

# Birchington CE Primary School

## Good To Be Me Week

During the week beginning 31<sup>st</sup> January 2022 Birchington CE Primary School held its Good To Be Me Week. During this week all year groups had the opportunity to take part in a range of tasks and activities centring around a chosen theme. Each theme was designed to help develop children's understanding of who they are and to enhance their personal, social and health education. In the Early Years Foundation Stage (Year R) the children focused on theme of Family and we spent time exploring what family means and how our families are all different. Year 1 explored the theme Commitments and Year 2 jumped into a Healthy Body, Healthy Minds theme. Year 3 enjoyed exploring Friendships and Year 4 Keeping Safe. The oldest children in the school were given the themes of When I Grow Up (Year 5) and My Impact on the World (Year 6). Throughout the week all the collective worships were on the Good To Be Me topic and the week ended with a non-uniform day where children and staff were invited to wear something that expressed themselves. It was an exciting and colourful end to a fabulous week!
