

Year 6 Newsletter

Term 1

What will be learning this term?

In Maths, we will be exploring place value and the four operations: addition, subtraction, multiplication and division.

In English, we will be writing narratives and character descriptions based on our class text, Journey to the River Sea.

In Science, we will be learning electricity and we will be building our own circuits.

In RE lessons, we will be investigating how individuals may hold a faith whilst also accepting scientific explanations for the creation of the world.

In PE, we will be participating in a range of games and athletics.

In Computing, we will be learning about computer networks and systems, along with exploring how search engines work.

In PHSE, we will be learning about online friendships, respect and healthy relationships.

In Geography, we will be studying our local area and investigating how land is used.

For more information about what your child is learning this term, please visit: [Our Curriculum | Birchington Church of England Primary School](#)
