### **Assessment**

Assessment will form an integral part of the teaching and learning of Music. This will be done by observing children working and performing, by listening to their responses and by examining work produced in relation to the expectations set out on our curriculum maps.

Teachers assess the children's work in music both by making informal judgements as they observe them during lessons and by completing formal assessments of their work, gauged against specific end points set out for each year group.

A precise and easy to use assessment will be developed and rolled out across the school.
