

## **Assessment**

At Birchington CE Primary School, assessment in French is carried out in line with the school's assessment policy. Teachers are expected to provide regular feedback in accordance with the school's marking and feedback policy to support pupils' progress.

The school has developed a whole-school assessment system in which teachers assess pupils' French learning on a termly basis. This is carried out using the end-of-unit assessments provided by the Language Angels scheme, which assess pupils' reading, writing, speaking and listening skills.

These assessments enable teachers and subject leaders to review attainment and progress data, which helps to inform future teaching and learning and ensures that pupils are appropriately supported and challenged.
