|  |                               | different locations (including: in a city, in the countryside etc.)                                                                                                        | introduced with its appropriate indefinite article "une" (feminine) or "un" (masculine). In this lesson the 5 rooms are all feminine nouns so we only use the indefinite article "une". We also introduce the phrase "chez moi il y a..." (in my home there is/are...) | introduced with its appropriate indefinite article "une" (feminine) or "un" (masculine). In this lesson the 5 rooms are all masculine nouns so we only use the indefinite article "un". We consolidate use of the phrase "chez moi il y a..." (in my home there is/are...) | the opposite / negative phrase "chez moi il n'y a pas de..." (in my home there is not.../there are no...) We explain how to make the linguistic change correctly, show the process visually and then use both phrases with the rooms of the home we have learnt previously. | incorporate other French vocabulary your pupils have learnt in other units - including language covering personal details (such as their name and age etc.).                                      |                                                                                                                                                                              |
