### Pupil Code of Behaviour

This Pupil Code of Behaviour links to our Behaviour Policy and our Anti-Bullying Policy. Each class makes up class rules at the beginning of the year which everyone agrees will assist learning and facilitate a happy classroom environment. In addition, there are school rules and values which are contained in the school prospectus.

There is an expectation of high standards of personal behaviour and respect for others which we hope parents/carers will encourage and support.

Children's achievements are celebrated in a special Celebration Assembly held every Friday. They do find this very motivating. Rewards also include stickers, certificates, praise and the opportunity to share their work with other children and staff. Considerate behaviour is also noticed at break and lunchtimes.

#### **Everyone has the right to:**

- feel safe, cared for and respected
- be able to learn to the best of his/her ability and to develop whatever skills he/she possesses
- be treated equally irrespective of gender, race, physical characteristics or any other factors
- learn to play without disruption

#### **Everyone is expected to:**

- be responsible for their own behaviour
- respect the rights of others

We say **No to Bullying**, whether it is verbal or physical; it has no place in our school. We ask for all parents and pupils to help us by reporting immediately any incidents so that we can deal firmly and fairly with any bullying behaviours, involving parents if appropriate.
