SEND and Gifted & Talented

At Birchington CE Primary School we are committed to the principle of equality of opportunity and this will be reflected in the curriculum offered to children and in the conduct of staff and children.

We provide effective learning opportunities for all children and apply the three principles for inclusion, to planning and teaching. Suitable learning challenges will be set for all children with the aim of maximising achievement for all children at an appropriate level for each individual.

Teachers will respond appropriately to children's diverse learning needs and be aware of the needs of differing genders, special educational needs, disability, as well as different social, cultural and ethnic backgrounds.

Teachers will be aware of overcoming the potential barriers to learning and assessment for individuals and groups and respond accordingly by making effective provision and liaising with appropriate staff.

All staff regularly support SEND children and stretch Gifted and Talented children throughout their lessons in line with the Mainstream Core Standards.
