

Art Workshop – Class 3B

In February class 3B has the opportunity to take part in an Art workshop run by artist Karen Vost. In the workshop the children explored and discussed what makes inspiring women, and women who are inspiring to them. Each child then created a collage image of their inspiring woman. A selection of these images will become part of an Inspiring Women exhibition at the Turner Contemporary as part of the Power of Women Festival 2023.

Well done class 3B!
