KNOWLEDGE Year 3 Knowledge Organiser	Playing or singing the same notes together at the same time.	Improvising is creating or inventing music 'on the spot' without preparing or practising it first.	Playing or singing the same notes together at the same time.	A stave (or staff) is a set of five horizontal lines and the spaces between them. A note can be in a space or on a line. Notes with a higher pitch are higher on the stave.	When you sing forte (loudly), you need to project your voice but be careful not to shout. When you sing piano (quietly), make sure your voice still sounds clear. Try to make the words clear as well.	Playing or singing the same notes together at the same time.	Children will be able to play and sing the same notes together at the same time. They will know that improvising is inventing music 'on the spot' without practising it first. They will have an understanding of a stave and what the lines and spaces are. They will know that notes can be higher or lower on a stave.
