

RSHE

SEND and Gifted & Talented

All staff regularly support SEND children and stretch Gifted and Talented children throughout their lessons in line with our core teaching values. Teaching Assistants further support pupils and offer pre-teaching as appropriate.

Lesson content may be adapted to address the needs of children with SEND and this teaching may happen in the classroom or in separate small group teaching, depending on what is more appropriate. Learning will occur through a range of activity style to promote inclusion for all children.

There are regular Data and Pupil Review meetings, which teaching staff will attend through the year. These are key opportunities to ensure all children are able to access the learning and make progress at a level appropriate for them.
