

COURAGEOUS ADVOCACY IN ACTION!

In Term 4, 3E went on a courageous advocate journey and endeavoured to help to end plastic pollution. We raised **£118.65** by being sponsored to do 100 laps of the playground! After a lot of research, we have decided to donate our hard-earned money to The Ocean Cleanup. Take a look at their website to see the fantastic work that they do! <https://theoceancleanup.com/>
