

## MAKING BLANKETS FOR RISE,

(**R**ough sleeper **I**ntervention, **S**upport and **E**mpowerment)

**A charity in Thanet who support the homeless.**

A group of our Year 6 children have chosen to give up their time to create blankets made from re-cycled crisp packets!  
The crisp packets were collected from across the school and from some of the congregation at All Saints Church Birchington.  
The children have been working hard together as a team to support this great cause!

**"It's really cool making blankets out of crisp packets!"  
Dharma**

**"It's good to help other people."  
Sophia**

Once the crisp packets are carefully cleaned, each packet is ironed to another one to make a long strip.

The strips of connected crisp packets are then ironed onto other strips to make a complete blanket so the person can keep warm!

**We're doing something to help others who are less fortunate than us. It's nice to think we can help people keep warm." Nathan**

**I want to help people who don't have anything to sleep on."  
Tate**

**Thank you to all the Year 6 pupils and also to everyone who donated their crisp packets for this great cause!**
