

"No matter who you are or where you live, we all deserve compassion."  
Lexie

## Courageous Advocacy in Action!

5A's choice of Courageous Advocacy this year involved them exploring homelessness in the local community. They found out all about RISE, who are a local charity who work with homeless people in Thanet.

They invited someone from the charity to come into school and talk to them about the work they do and then planned to take action themselves!

"We decided to bring things in to make bags with supplies to help homeless people. These included, baby wipes, toothpaste, body wash, candle and toys."  
Cydney

"We are helping so homeless people know they matter and they exist."  
Isabel

"Homeless people need our help so they can have food and wash themselves."  
Toby

"Homeless people deserve a good life like the rest of us." Summer

Jessica from RISE came in to collect the bags!

We're helping homeless people to help humanity."  
Rory
