

Geography

Long Term Planning

In each year group children engage with Geography learning through exploring the topics set out below.

Alongside the Oddizzi scheme, topics have been carefully planned to include the skills and knowledge set out in the Geography National Curriculum for Key Stages 1 and 2 as a minimum. The topics are planned to build on learning in previous year groups, so that as pupils move through our school, they are developing the skills, understanding and knowledge to become a geographer.

Year group	Autumn		Spring		Summer	
	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
1	United Kingdom (Term 1)		Weather and climate (Term 3)			Local area (Term 6)
2		Continents and oceans (Term 2)		Hot and cold places (Term 4)		Mugumareno Village, Zambia (Term 6)
3		Climate zones (Term 2)		North America (Term 4)		Rio and South-East Brazil (Term 6)
4		Rivers (Term 2)	Rainforests (Term 3)			South America – the Amazon (Term 6)
5		Mountains (Term 2)	Volcanoes and earthquakes (Term 3)			European region (Term 6)
6	United Kingdom (Term 1)					Local area and region (Term 6)
