

Geography Assessment

Assessment of Geography takes place in line with the school's Monitoring and Assessment Policy.

At Birchington CE Primary School class teachers use regular and robust formative assessment to assess the children's learning in lessons. This is then used to inform future planning. These assessments are made against the learning question, and are founded in the success criteria for that lesson.

Pupils also self-assess their own learning each lesson, using the success criteria as a support to guide their evaluation.

At the end of each year, class teachers make a summative assessment of each child's attainment.
