

COURAGEOUS ADVOCATE

Year 3 have been **courageous advocates!** We care about keeping the roads outside of our school safe for, not only us, but for the Birchington community.

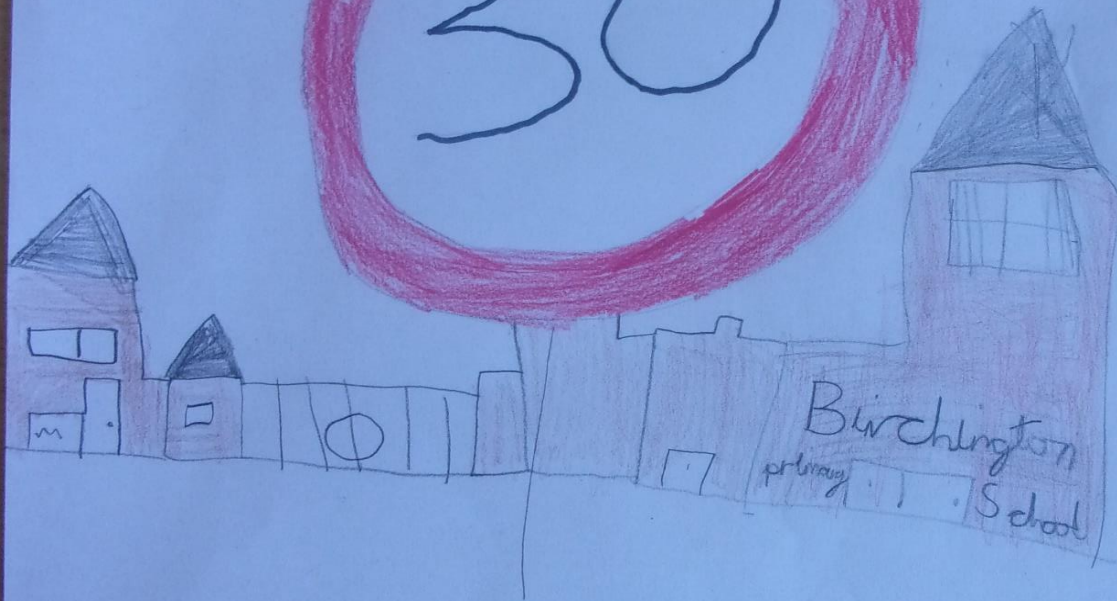

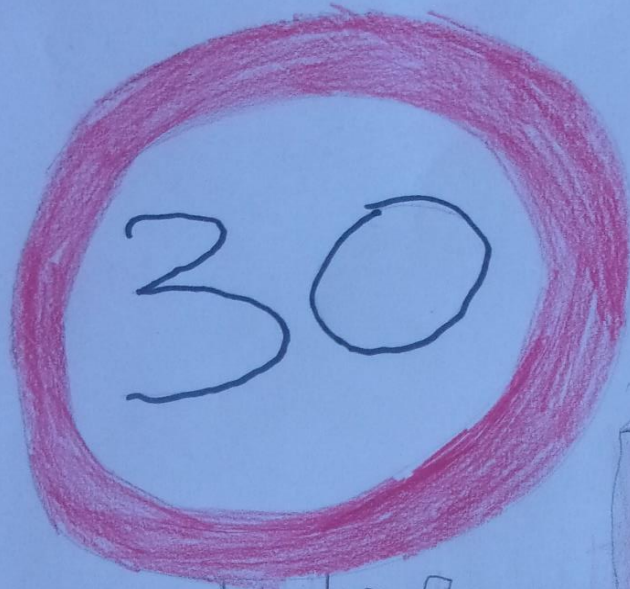

To find out what the drivers around our school need to do to keep everyone safe, we spoke to Mr Drew who patrols the crossing every day. Take a look at our posters to see how you can help! Don't forget to spread the message to your friends and family.
