

Working With Our Local Schools 2024

On the 14th March 2024 Spirituality Representatives from Monkton, Minster and St Nicholas CE schools came to visit Birchington CE Primary School.

This was our second joint project with our local CE schools and this year saw Mrs Partridge and our Year 6 Spirituality Representatives welcoming twelve pupils and three teachers to our school. We shared a welcome biscuit and a drink and then sat together and shared each school's Christian Vision, School Values and their chosen Bible story.

We then split into four groups, each with one pupil from each of the four schools. The pupils worked together to create resources for a prayer space that would be set up in each of the schools.

It didn't take long before the children from all the schools were happily chatting and forming new friendships whilst they engaged in a number of exciting creative activities.

We then shared an outdoor play session on our large play equipment and ate our lunch together.

Our session ended with a time of quiet and reflection and the pupils were invited to join in a prayer of thanks before returning to their schools.

It was a wonderful day and we were so proud of our Year 6 pupils who were excellent hosts and made our guests feel so welcome!

Some quotes from the pupils:

'This is so nice; I have made a new friend!'

'I really enjoyed meeting new people!'

'I love art so this is a fantastic day for me.'

'I am pleased that my work will be shared in another school.'

'This has been the best time ever!'
