

Easter 2023

Easter is always a very special time in our school. The children enjoy learning about this special Christian festival in their RE lessons where they are given the chance to explore Biblical text and discuss how Easter influences Christians in the world today.

They also are given the opportunity to reflect on this in their daily collective worships. This year we were lucky enough to have worships held by Rev. Mark Ham & Ms Bant from our local parish church, and Maggie Paddison from ACTs.

On the last day of term KS2 pupils and families attended a special Easter Service at All Saints Church. This service was written and led by Year 4 who did a fantastic job retelling the Easter story through speaking, acting and singing.

The school were also invited to take part in an Easter Garden competition. The gardens were proudly displayed for the school to see and were judged by our Ms Bant. Please see below for some photographs of our gardens.

Easter Garden Winners
