Online Access

We recognise that some pupils may not have suitable online access at home.

We do have a large number of laptops at school which parents and carers are able to borrow from the school for any period of time when a child has to learn from home. This does not include when off school due to illness.

A loan agreement for the laptops has to be signed by a parent/carer before a laptop is loaned out to a pupil.

Please contact the school office if you wish to borrow a laptop.
