

At Birchington CE Primary School 2022-2023

This year we celebrated our Harvest Festival during the week beginning 10th October 2022.

Throughout the week this special time in the Christian calendar was celebrated in our collective worships. The children were also able to find out more about Harvest Festival during their lesson times.

We asked the children, if they were able, to bring in an item/s of food to help celebrate the Harvest Festival. The food was then displayed in the classrooms throughout the week. These made exciting displays and generated great discussions and interest and the children enjoyed adding to their displays and seeing them grow! We were lucky enough to also have a parent kindly donate some crates of apples and pears which were also added to many of the class displays.

We were delighted and amazed by the generosity of our parents and carers and the amount of food that was kindly donated.

At the end of the week the food was collected and taken to our local food bank by some of our Year 6 School Council and Spirituality Representatives. The donated food was gratefully received and will help families in our local Birchington community.

Below are some images of the class displays and our visit to the local food bank.
