

Harvest Festival 2021-2022

We celebrated our Harvest Festival during the week beginning 18th October 2021.

Although, we were unable to join together as a school to celebrate this special time in the Christian calendar, the children were able to celebrate, and find out more about, Harvest Festival during their class Collective Worship.

We are asked children to bring in an item/s of food to help celebrate Harvest Festival. The food was then displayed in the classrooms during the Harvest Festival week. This made a super focal point for our worship that week and the children were excited to see the hampers grow throughout the week as more food was added.

At the end of the week the food was taken to our local food bank to support families in our local Birchington community.

Two of our Spirituality Representatives ready to load up the food donations into the van to be delivered to our local food bank.
