

Cathedral Schools Day 2024

On the 12th November we took our Year 6 School Council and Spirituality Representatives to Canterbury Cathedral to take part in the annual Cathedral Schools Day. After a warm welcome we joined a number of other schools to complete our first activity which involved exploring some artwork portraying a Bible story and then reflecting on the Bible text. We were then given time to think about fairness and justice and had an opportunity to write prayers or reflections on this.

Our second activity was linked to stained-glass windows and involved a tour of some of the key windows in Canterbury Cathedral. We then had the opportunity to create our own stained-glass window artwork to take home.

After lunch, our day ended with a Collective Worship which included a procession from all participating schools, prayers, reflections and songs.

We all had a great time and the children really enjoyed being able to explore and experience the sacred building which has been loved and respected for centuries.
