

Our Trip to Rochester Cathedral

On Tuesday 21st March Mrs Partridge and Mrs Tallamy accompanied our Spirituality Representatives from Year 2 to 6 on a trip to Rochester Cathedral.

The primary aim of the trip was to experience the Peace Doves display by sculptor Peter Walker.

As soon as we entered the cathedral we were struck by the immense scale of the awe-inspiring installation. The children were amazed by the beauty of the doves, all containing messages of hope and peace, suspended from the ceiling. We especially enjoyed how our guide changed the coloured lighting to change the appearance of the artwork.

As well as the experiencing the installation, we also took part in a creative workshop and enjoyed a personal tour of the cathedral.
