

Birchington CE Primary School

During the Easter period the children at Birchington CE Primary School were busy preparing for a special creative event. We were creating pieces of artwork that were going to be used to decorate All Saints Church.

The pieces of artwork depicted our Christian Values of Hope, Peace, Forgiveness and Love. The children also wrote and decorated Easter prayers.

Our parents and carers were invited to view the work in the church and we had many positive comments from our school community and local parishioners. The church really did look wonderful adorned with all the brightly coloured, beautiful pieces of work. You can find more pictures on our school website www.birchington-primary.com under the Christian Ethos tab.
