

Year 4 Newsletter

Term 2

What will be learning this term?

In Maths, we will be exploring 2 main concepts. We will start with multiplication and division, learning the rest of our times tables and then applying them within mixed multiplication and division questions. We will then move onto learning about statistics.

In English, we will be reading the text *The Stolen Spear* by Saviour Pirotta. We will use the text to write diary entries from the perspective of our main character and then explore how to write and punctuate direct speech correctly.

In Science we will be looking at States of Matter including changing states.

In History we will be exploring the topic of Stone Age to Iron Age, considering the changes over time.

In Music we will be starting to learn how to follow along to a song on the glockenspiels.

In RE lessons we will be thinking about the Big Question, "What is the Trinity?"

In PE, children will be developing their knowledge and understanding of tennis. Year 4 children will also be going swimming.

In Computing we will be exploring creating media, looking at content creation and creating our own podcasts.

In PSHE we will be learning about health and wellbeing, considering our feelings and emotions and what strategies can support us.
