

Year 6 Newsletter

Term 3

What will be learning this term?

In Maths this term, we will be exploring decimals and algebra.

In English, we will be writing a set of instructions on how to perform a magic trick and a narrative based on our book *The Nowhere Emporium* and having a very special visitor as part our hook.

In Science, we will be learning about living things and classification.

In RE lessons, we will be investigating how arts and architecture can reflect different religious beliefs.

In PE, we will be participating in a range of games and athletics.

In Computing, we will be learning about variables in a game and creating our own games.

In PHSE, we will be learning about physical and mental health.

In History, we will be continuing to study the Victorians and learning about the industrial revolution and how the railways affected our local area.
