Term 4

What will be learning this term?

In Maths, we will be learning about fractions including equivalent fractions, adding and subtracting fractions and using decimals within place value grids.

In English, we will be exploring non chronological reports linking to our topic of Ancient Egypt. We will also be looking at writing instructions based on mummification!

In Science, we will be exploring electricity! We will look at the components of a circuit and have a go at creating our own electrical circuits.

In History, we will be learning all about Ancient Egypt! This is a topic we particularly love, and we look forward to exploring aspects of Ancient Egyptians lives.

In D&T, we will be creating our own torches (using the skills of electrical circuits that we cover in Science).

In RE lessons, we will be exploring 'Salvation' and will be looking at the big question, "Why do Christians remember the day that Jesus died 'Good Friday'?"

In PE, we will explore symmetrical movements in Gymnastics which will include using balances and creating sequences.

In Music, we will be learning about changes in pitch, tempo and dynamics through singing.

In Computing we will be learning about computer programming using the program FMS Logo to build letters and shapes, then creating our own patterns.

In PSHE, we will look at citizenship and will be considering different roles within society, including our own roles.

For more information about what your child in learning this term, please visit: [Our Curriculum | Birchington Church of England Primary School](#)
