

Year 6 Newsletter

Term 1

What will be learning this term?

In Maths, we will be exploring place value and the four operations: addition, subtraction, multiplication and division.

In English, we will be writing narratives and reports based on our class text, Street Child.

In Science, we will be learning about living things and their features.

In RE lessons, we will be investigating how individuals may hold a faith whilst also accepting scientific explanations for the creation of the world.

In PE, we will be developing our athletic skills, teamwork and resilience.

In Computing, we will be learning about computer networks and systems, along with exploring how search engines work.

In PHSE, we will be learning about online friendships, respect and healthy relationships.

In Geography, we will be studying our local area and investigating how land around us is used.
